EDUCONSE MENTORSHIP MEET

An **up-and-coming** company called **Educonse** is getting a **helping hand** from the SBSC Incubation Cell on their path to becoming a leading business. Educonse offers a **variety of services to students** of all ages. The Incubation Cell is providing guidance on **Educonse's app design, pitch deck, and more**. They're also connecting Educonse with resources like **funding and mentorship**.

In a recent meeting, the **Incubation Cell team** reviewed **Educonse's business model** and offered **valuable feedback**. The meeting was a chance to acknowledge the **hard work** of both the **Educonse** team and the **Incubation Cell** in bringing this mentorship to life.

PODCASTS.

In January, Shaheed Bhagat Singh College's Incubation Cell launched a captivating podcast series on their **YouTube channel**. These podcasts featured inspiring **journeys, experiences,** and valuable lessons from successful entrepreneurs. Many **self-made individuals** shared their stories, offering **insights** beyond just their businesses.

Interview with Parth Makwana,
Founder of TST Technology |...

Interview with the Founder & CEO of
MadHawks - Ravi Kumar |...

Interview with Manasi & Mehul,
Founders of The Clueless Compan...

The **series delved** into the **thought processes** that led these entrepreneurs down the path of launching their own ventures. Listeners gained a glimpse into their **backgrounds, college lives, and the crucial steps** they took to become **entrepreneurs**.

2023 - 24

IGNITE'24

Shaheed Bhagat Singh College's Incubation Cell hosted "Pioneer Pitch," a captivating competition as part of their annual **flagship event, Ignite'24**. This innovative challenge focused on **entrepreneurial mindset** and saw teams from various colleges participate.

"Pioneer Pitch" proved to be a **resounding success**, being the **first of its kind** in the college circuit. **Participants** highly commended the event, with many expressing their desire to see it implemented in **future competitions**. **Three outstanding teams** emerged victorious, claiming the **competition's prize pool**.

The Spark Of Innovation

EUREKA : THE CSD MAHOTSAV

The Centre for Skill Development (CSD) hosted its annual Eureka event on May 4th, 2024, a celebration of all things startup culture. This year's edition featured a vibrant startup fair and an engaging panel discussion.

The fair served as a spotlight for budding entrepreneurs, showcasing a diverse range of startups from clothing and accessories to gaming. Different stalls, brimming with innovative ideas, lined up near the stage area, drawing a large crowd.

For the panel discussion, Eureka invited prominent figures: Anuj Nevatia, founder of Bacca Bucci, and the CEO of EduCaptain. Khalid Wani skillfully moderated the discussion, which fostered a productive exchange of ideas between students and the successful speakers.
