Candidate will have to appear for an in-person interview to be held in the Department of Education. The interview will be informed by the proposal as submitted by the candidate and will discuss, among other things, related theoretical, methodological issues and field related developments.

The Research Proposal must clearly mention the following:

- 1. Area of research (indicative list provided above under the heading 'Major areas of research in the department')
- 2. Proposed title of the work
- 3. Rationale for the proposed study
- 4. A brief review of related literature
- 5. Objectives of research
- 6. Tentative methodology to be followed
- 7. References used

DEPARTMENT OF PLANT MOLECULAR BIOLOGY

Eligibility:

The minimum eligibility criteria for admission to the Ph.D. program in Plant Molecular Biology and Biotechnology is Master's degree or qualifications declared equivalent to the Master's degree in the subjects- Biological /Chemical /Physical Sciences. The percentage of aggregate marks or equivalent grade in the Master's degree should align with the guidelines set forth by the University of Delhi.

Major areas of Research in the Plant Molecular Biology

The major research areas of plant molecular biology: Understanding molecular basis of plant reproduction and its genetic manipulation to develop alternative sources of human nutrition

Calcium-mediated signaling; functional genomics of stress signaling; stress adaptation in plants; Plant mineral nutrient signalling and genome editing

To understand the complicated regulatory networks composed of various genomic elements (proteins, regulatory RNAs, cis-acting elements, etc.) that interact with each other in response to various developmental and environmental cues

Unravelling the regulators (focus on membrane proteins, transcription factors, and RNA modifications) of stress tolerance and senescence for designing crops with climate-resilience and higher productivity

Molecular analysis of plant defence against pest / pathogen attack

Exploring the naturally evolved allelic variations for the development of climate-resilient and pathogen-resistant/tolerant high-yielding crop varieties

Effect of heat stress on meiosis and Crossover.

ADMISSION-INTERVIEW-PROCESS AS CONDUCTED BY THE DEPARTMENT

Faculty of Management Studies (FMS) will shortlist candidates for appearing directly in interview for Ph.D. admission on the basis of the above mentioned eligibility criteria. The applicants must mandatorily choose ONE of the above-mentioned research areas. Candidates who fail to mention the research area will not be shortlisted for interview. The applicants are also mandatorily required to submit a summary of research proposal in their indicated area of research interest to be eligible for being called for interview. The Research Proposal (Max.1500 words) must include the following sections:

- 1. Rationale and Research Gap
- 2. Objectives
- 3. Key Research Questions/hypotheses
- 4. Methodology (including data sources and methods of analysis)
- 5. Expected Contribution

The applicant should also submit a Statement of Purpose (SOP) not exceeding 250 words.

All eligible candidates will be required to appear for a personal Interview to be considered for admission. Merit list will be drawn for each functional area (with statutory reservations as per University of Delhi rules) based on marks secured on the basis of several criteria the details of which will be posted on the FMS website.

SPECIAL NOTE REGARDING ADMISSION TIMELINE

FMS will have only one PhD admission cycle (starting from July) per academic year. This is because of the compulsory, successful completion of the coursework for all scholars that coincides with the MBA program schedule. Scholars without an MBA degree are

required to attend classes with regular MBA students- for two semesters- whose classes begin in July and the structure of the
curriculum is in 3 sequence. Therefore scholars must start attending
courses with the newly admitted MBA students from July. The two semesters are run in a tight timeline.

- 12. Upon satisfactory completion of course work, and obtaining the marks/grade prescribed as the case may be, the Ph.D. scholar shall be required to undertake research work and produce a draft thesis within a reasonable time, as stipulated by the University based on UGC Regulations, 2022.
- 13. After admission to Ph.D. programme, the research scholar in consultation with the Supervisor, may propose a tentative broad area/title for Ph.D. thesis within one year. However, the final title for the Ph.D. thesis must be decided at the time of the pre-Ph.D. presentation. The final title will be subject to approval of the DRC and the BRS.

F. Attendance

Research scholars shall be required to attend lectures (coursework) and participate in seminars arranged in the Department during the programme. The minimum percentage of lectures to be attended during the coursework will be two-thirds of the lectures delivered in all courses, individually.

G. Eligibility Criteria for Supervisor

1. Permanent faculty members of the Departments/Colleges of the University Delhi working as Professor/Associate Professor with a Ph.D., and at least five research publications in UGC Care/Scopus journals and permanent faculty members working as Assistant Professors in the Departments/Colleges of the University with a Ph.D., and at least three research publications in UGC Care/Scopus journals shall be recognized as a Research Supervisor. Such recognized research supervisors cannot supervise research scholars in other institutions, where they can only act as co-supervisors. Ph.D. awarded by a university under the supervision of a faculty member who is not an employee of the university would be in violation of these Regulations.

For Ph.D. scholars working in Central government/ State government research institutions whose degrees are given by the University of Delhi, the scientists in such research institutions who are equivalent to Professor/Associate Professor/Assistant Professor can be recognized as supervisors if they fuifill the above requirements.

Provided that in areas/disciplines where there is no, or only a limited number of UGC Care/Scopus journals, the departments may relax the above condition for recognition of a person as Research Supervisor with reasons recorded in writing.

Co-Supervisors from within the same department/college or other departments/colleges of the University of Delhi or other

institutions/industries may be permitted with the approval of the competent authority provided they fulfill all the eligibility requirements.

Adjunct Faculty members and Scientists from industry shall not act as Research Supervisors and can only act as co-supervisors.

- In case of interdisciplinary/multidisciplinary research work, if required, a Co-Supervisor from outside the Department/School/Centre/College/University may be appointed.
- An eligible Professor/Associate Professor/Assistant Professor can guide up to eight (8) / six (6) / four (4) Ph.D. scholars, respectively, at any given time.
- Each supervisor can guide up to two international research scholars on a supernumerary basis over and above the permitted number of Ph.D. scholars us specified in Clause G.3 above.
- At any point, the total number of PhD scholars under a faculty member, either as a supervisor or a co-supervisor, shall not exceed the number prescribed in Clause G.3 and G.4 above.

H. Allocation of Supervisor

- The allocation of Supervisor for a selected research scholar shall be decided by the DRC depending on the number of research scholars per Supervisor, the available specialization among the Supervisors and research interests of the research scholar, as indicated by them at the time of interview.
- 2. In case of topics which are of inter-disciplinary nature and where the Department concerned feels that the expertise in the Department has to be supplemented from outside, the Department may appoint a Supervisor from the Department/College itself, who shall be known as the Supervisor, and a Co-Supervisor from outside the Department.
- 3. In case of relocation of a female Ph.D. scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the University of Delhi to which the scholar intends to relocate, provided all the other conditions in these Regulations are followed, and the research work does not pertain to a project sanctioned to the parent Institution/Supervisor by any funding agency. Such scholar shall, however, give due credit to the parent institution and the supervisor for the part of research already undertaken.
- 4. In a Department where teachers are retiring, leaving or are proceeding on long leave on deputation or where unforeseen circumstances have necessitated a change of Supervisor, the DRC shall appoint Supervisor(s)/Co-Supervisor(s) as a supernumerary allotment. This may be approved by the respective BRS.

- 5. Faculty members with less than three years of service before superannuation shall not be allowed to take new research scholars under their supervision. However, such faculty members can continue to supervise Ph.D. scholars who are already registered until superannuation and as a co-supervisor after superannuation but not after attaining the age of 70 years. Faculty members who get reemployed after superannuation (after 65 yr of age) in the department will remain Supervisors for their existing PhD scholars.
- Faculty members on deputation/long leave for more than a year may not be included in the list of proposed Supervisors in a Department and in determining the number of vacant scals.
- The DRC, on the recommendation of the Supervisor, may appoint scholars of eminence who may be residing in India or abroad, as Co-Supervisor(s).
- The recommendation of the DRC regarding the appointment of Supervisor(s) shall be approved by the respective BRS.
- Each Supervisor is entitled to take a fresh research scholar after submission of the thesis of his/her previously allotted research scholar, based on maximum permissible number for that faculty member.

I. Research Advisory Committee

- I. There shall be a Research Advisory Committee for every research scholar, duly approved by the DRC. The Supervisor of the research scholar shall be the Convener of this Committee. The Committee will have at least three members, with at least one faculty member other than the Supervisor from the Department. This Committee shall have the following responsibilities:
 - a. To review the research proposal and finalize the topic of research.
 - b. To guide the Ph.D. research scholar to develop the study design and methodology of research and identify the course(s) that he/she may have to do.
 - c. To periodically review and assist in the progress of the research work of the Ph.D. research scholar.
- z. The Ph.D. research scholar shall appear before the Research Advisory Committee once in six months to make a presentation of the progress of his/her work for evaluation and further guidance. The six-monthly progress reports with the comments of the Research Advisory Committee shall be submitted to the DRC with a copy to the research scholar.
- 3. In case the progress of the Ph.D. research scholar is unsatisfactory, the Research Advisory Committee shall record the reasons for the same and suggest corrective measures. If the Ph.D. research scholar fails to comply with these corrective measures, the Research Advisory Committee may recommend to the DRC with

specific reasons for cancellation of the registration of the Ph.D. research scholar from the Ph.D. programme and approved by the BRS

J. Financial Assistance to Research Scholars

- Research scholars who have cleared National Level examinations with JRF or equivalent shall get financial assistance from the concerned funding agency.
- Research scholars who are working in projects as JRF and SRF shall get financial assistance from the designated projects.
- Research scholars, who do not have any financial assistance, may be awarded Non-NET UGC fellowships. The University, depending on the grant available from UGC, will determine the number of fellowships under this category annually.
- Financial assistance shall not be provided where the research scholar is availing paid study leave.
- Foreign research scholars must show proof of financial support for the duration of the Ph.D. enrolment.

K. Leave

- Any leave of more than thirty days from research work would require prior intimation and approval of the DRC and the BRS. This period shall be counted in the total duration for submission of thesis.
- On the recommendation of the Supervisor and the DRC, the BRS may permit the research scholar to be away from the University of Delhi to pursue research related to Ph.D. work for not more than two semesters after completion of the coursework.
- Female Ph.D. Scholars may be provided Maternity Leave/Child Care Leave for up to 240 days in the entire duration of the Ph.D. programme. This period shall not be counted in the total duration for submission of Ph.D. thesis.
- 4. The Supervisor must report an absence from research work by a research scholar due to illness, maternity leave or other circumstances to the DRC and BRS. Negligence of research work or any other acts of indiscipline must be recorded and reported to the DRC and the concerned BRS. On receipt of a complaint, the BRS may take appropriate action against the research scholar, including cancellation of his/her registration.
- 5. Only in exceptional cases, a research scholar may be allowed to de-register from the Ph.D. programme after successful completion of a minimum duration of three years on the recommendation of the DRC and the approval of the BRS. The research scholar shall re-register within a period of three years. The Ph.D. thesis should be submitted within such a period that the period of initial registration and re-registration does not exceed the duration of the Ph.D. programme.

L. Duration of Ph.D. Programme

- 1. As per UGC Regulations 2022, the Ph.D. programme shall be for a minimum duration of three (03) years, including coursework and a maximum duration of six (96) years from the date of registration to the Ph.D. programme.
- 2. As per UGC Regulations, 2022, a maximum of an additional two (2) years can be given through a process of re-registration as per the Statute/Ordinance of the Higher Educational Institution concerned; provided, however, that the total period for completion of a Ph.D. programme should not exceed eight (8) years from the date of admission in the Ph.D. programme.

For University of Delhi, the process of re-registration is as below:

For Ph.D. scholars, beyond a period of six years, a two (02) years extension can be granted through a re-registration by the Board of Research Studies on a written justification for the delay by the research scholar. The request of the research scholar has to be recommended by the Supervisor and DRC of the respective Department.

3. Female Ph.D. scholars and Persons with Disability (having more than 40% disability) may be allowed an additional relaxation of two (02) years; however, the total period for completion of a Ph.D. programme in such cases should not exceed ten (10) years from the date of registration in the Ph.D. programme.

M. Evaluation and Assessment

- Upon satisfactory completion of course work and obtaining the marks/grade prescribed in Clause E.11 above, the Ph.D. scholar shall be required to undertake research work and produce a draft thesis.
- 2. Prior to submission of the thesis, the Ph.D. research scholar shall make a pre-Ph.D. presentation in the Department before the Research Advisory Committee, which shall be open to all faculty members and other research scholars/students. The feedback and comments obtained from them may be suitably incorporated in the draft thesis in consultation with the Research Advisory Committee.
- 3. The research scholar shall submit the thesis after pre-Ph.D. presentation within a period of six months.
- 4. In case of issues related to Intellectual Property Rights, necessary patents shall be filed before disclosure in the seminar.
- 5. A Ph.D. scholar should publish at least two research papers in Scopus or UGC Care listed Journals before submission of thesis and produce evidence in form of letter or a reprint.
