SHAHEED BHAGAT SINGH COLLEGE
UNIVERSITY OF DELHI

NAAC Accredited 'A' Grade

Legend then, legend now, legend forever...

शहीद भगत सिंह

जन्म 28 सितम्बर 1907 : शहादत 23 मार्च 1931

“शहीद होने की घड़ी में वह अकेला था, ईश्वर की तरह”

कवि - पाश

भगत सिंह सिर्फ क्रांतिकारी नहीं, बल्कि एक सुलझे हुए विचारक भी थे। अपनी फाँसी से पहले उन्होंने जेल में विद्यार्थियों के नाम पत्र में संदेश दिया था कि 'इस समय हम नौजवानों से यह नहीं कह रहे हैं कि वे बम और पिस्तौल उठाये। आज विद्यार्थियों के सामने इससे भी अधिक महत्वपूर्ण काम है।' उनका यह इशारा देश में फैली अज्ञानता और गरीबी को दूर करके भारत को एक ताकतवर राष्ट्र बनाने की ओर था इसीलिए उन्होंने कहा कि 'वे (विद्यार्थी) पढ़ें और जरूर पढ़ें' हम सब जानते हैं कि 8 अप्रैल 1929 को दिल्ली की केंद्रीय एसेम्बली में बिना किसी को घायल किए उन्होंने बम फेंका और जान बूझकर खुद को गिरफ्तार करवा दिया।

23 मार्च 1931 को जब उनको फाँसी दी गयी तब उनकी उम्र सिर्फ 23 साल 6 महीने की थी। अपनी वीरता और साहस के लिए, भगत सिंह आज भी युवाओं के बीच आदर्श तो हैं ही पर साथ ही साथ वे विद्यार्थियों के आदर्श इसलिए भी हैं कि छोटी सी उम्र में उन्होंने देश और दुनिया के बहुत सारे महत्वपूर्ण ग्रंथ, विचार, साहित्य, इतिहास और दर्शन पढ़ डाले थे। किताबें उन्हें पिस्तौल से ज्यादा प्यारी थीं, इसलिए वे आज़ादी को “मानसिक गुलामी” से आज़ादी भी मानते थे जिसका रास्ता किताबों से होकर ही जाता है। उन्होंने लिखा कि “क्रांति बम और पिस्तौल का सम्प्रदाय नहीं। क्रांति का अर्थ है आमूल परिवर्तन।”

भगत सिंह की शहादत के इस 90वें वर्ष में विद्यार्थियों के आगे भारत-निर्माता की कई सारी चुनौतियाँ हैं। हमें पूरा विश्वास है कि शहीद भगत सिंह कॉलेज में प्रवेश पाने वाला हर विद्यार्थी भगत सिंह के उस सपने से खुद को जोड़ेगा। हमें यह जानकारी देते हुए अपार हर्ष है कि शहीद भगत सिंह कॉलेज अपने स्थापना वर्ष 1967 से ही विद्यार्थियों के जीवन को राष्ट्र-प्रेम और राष्ट्र-निर्माण की दिशा में अग्रसर कर शहीद-ए-आज़म भगत सिंह के संकल्पों को ही पूरा कर रहा है।

Students' Testimonials

- Soumya Arora (2017-20 Batch, B. Com (H))

Studying at SBSC was the most glorious phase of my life. The golden period of 3 years equipped me for all the challenges I'll face in life and created a strong foundation of knowledge. My experience at SBSC taught me a fundamental lesson that life is unpredictable and college life is a perfect blend of joy and hardships. Meeting new people, interacting with your professors and learning about different cultures really helped me grow as a person. Taking part in extra-curricular activities and representing the college gave me a sense of accomplishment and pride and memories that I'll cherish forever.

Am I done with 3 years of college already? Now that the time has come when we open doors to new horizons, i am so overwhelmed to describe my feelings about SBSC. As a fresher this place was just another institution with an exciting and positive environment but eventually it became more than that. The effective pedagogy of the teachers, immense exposure to college societies and co-curricular activities, and the mentorship I received from my seniors and teachers to enhance my skills convinced me of the Excellency of my college. I'm so grateful to be a part of SBSC - it literally helped to explore opportunities and shape my career. When I walk out of the gate, it won't be the last time. Every time I return, I will bring back the memories attached to the campus and colleges in general and of course the stories of how well it molded me.

- Urvi Mahajan (2017-20 Batch, B.A. (H) Economics)

- Roshni Jain (2016-19 Batch, B.A. (H) Economics)

Shaheed Bhagat Singh College is always seen amongst the top 5 colleges of south campus, Delhi University. It is one of the most coveted co-ed colleges offering plethora of courses in commerce and arts. From a DU student's perspective, SBSC will provide quality education, good staff, good peer group and a fairly enjoyable and memorable college life. Also in case of economics, there is always one batch and hence it is very close knit. At SBSC the societies are extremely diverse pertaining to every field be it commerce, economics, history, political science, finance, dance, singing, drama, literature, entrepreneurship etc. Hence SBSC offers a lot of exposure in case of academics as well as co-curricular activities. Infrastructure of SBSC is very impressive with six blocks, air conditioned library and seminar room, ventilated and open class rooms, big playground and an adjoining basketball court and a decent canteen. Overall the college is very convincing

- Yash Narain (2013-16 Batch, B.A. (H) Political Science)

Like every other fresher, I entered into my college life with huge zeal and excitement. Shaheed Bhagat Singh College is not just another institution where one comes to gain only academic knowledge. Rather in my experience, it is an institution that offers an individual to develop holistically. I was a part of the Finance and Investment Society and The Entrepreneurship Cell of the college. Being a part of these groups/societies helped me to upskill myself in various ways and develop my interpersonal skills. I participated in various competitions conducted all over DU and I have won more than 40 competitions. I could not thank SBSC enough because these 3 years of college life shaped me into a better person. In the end, I would like to say that, it is up to the student; how he or she utilizes the opportunities the college life brings to him or her.

I was a student of Political Science. Three years down the line I feel grateful and blessed for having attended college at SBSC. It gave me ample opportunity to explore and hone my creative skills while making sure that the training imparted in my discipline was thorough and had an enduring impact. I remember my teachers fondly and they have played an instrumental role in shaping me as an individual as well as an inspiring academic. They have been the charming gardeners, to quote Marcel Proust, who made my soul blossom and I shall forever be grateful to them. I wish the incoming batch godspeed and hope their years at SBSC are as enriching and memorable as mine were

- Subhag Gupta (2017-20 Batch, B. Com (H))

- Abrar (2014-17 Batch, B.A. (H) Political Science)
Head Chef in Restaurant in Mexico. Studying Gastronomy in International Cuisine at Corbuse, Mexico

What I am today, whatever I am capable of or whatever I am striving to achieve is all because of the dedication of my college professors at SBSC. They instilled not only hope, but channeled my youthful exuberance in the right direction which is the only reason that after pursuing Honours in Political Science, I have become an International Chef - dichotomy of this thing is not understandable to everyone except for those who felt empowered with knowledge and ages experience that held my hand in SBSC. I was empowered to think big and lead big so, thank you SBSC.

Shaheed Bhagat Singh College gave me the best 3 years: friendships I treasure, teachers who guided me and experiences that shaped me as a person. Right out of college, I started working. SBSC is the institution that made me capable enough to hold my own in this new phase. SBSC was not just studies or books. It went beyond the curriculum, breaking the boundaries: teachers scheduled play screenings, outdoor classes, co-curricular and the various societies gave the right exposure and built my confidence. College is an investment and a crucial decision, but one cannot go wrong with Shaheed Bhagat Singh College.

I'm a person who believes in certain principles to be followed in life. One of the most important being, transforming my words into something productive, which I think I've managed to do for the most part of my life. From being accepted to Shaheed Bhagat Singh College and to the founder of the internship cell and then the CEO of the entrepreneurship cell, it has been a rollercoaster ride. I have grown to be a better person than what I was a few years ago through the initiatives and opportunities this college has thrown at me. I would recommend my juniors to participate in nearly every activity in the college because this place is full of opportunities to grow and discover yourself.

- Sayesha Ahluwalia (2013-16 Batch, B.A. (H) English)

I started working as a Tech Risk Analyst, Business Consulting at EY, right after completing PGDM in Finance. I remember Shaheed Bhagat Singh College fondly for two things: for giving me a holistic perspective on life and for introducing me to highly knowledgeable faculty! For me, this college has been lots of things. It is here that I have grown as a person, scaled new heights, and done things I could never have imagined I could. The plethora of opportunities available for every individual, in the field of their choice is always open. B.Sc (Hons) Mathematics course offered at SBSC was enriching in every way. The coursework enhanced my understanding and appreciation of Mathematics. Being the President of the Mathematics Society was a life changing experience where I gained tremendous confidence and enhanced my overall personality. An open and encouraging environment, the spirit of academic and extra-curricular excellence that the institute inculcates and the company of a brilliant, and diverse peer group make SBSC a rewarding experience. For anyone who yearns to learn, to explore and to lead, SBSC is indeed the place to be.

- Nayanika Sharma (2014-17 Batch, B.Sc. (H) Mathematics)

- Ishaan Arora (2017-20 Batch, B.Com (H))

Studying at SBSC was the most marvelous phase of my life. This phase developed me into someone who's now so much more confident and ambitious and is ready to face the challenges with a strong and positive attitude. I find SBSC a place where people from different backgrounds come and get equal opportunities to grow and enhance their potential. The best part is our teachers who taught us to think, question and have an opinion. They are very interactive and help students to give practical knowledge in life. College Life at SBSC is full of joy and I'll cherish all the memories, learnings and friends that I've made here for the rest of my life.

- Avani Yadau (2016-19 Batch, B.Sc. (H) Mathematics)

I find SBSC to be a place which provides equal opportunities to people coming from different backgrounds for them to find a way for themselves rather than trying to fit them into an already created system. However, the best part of it, for me was the teachers, who taught me to think, question and have an opinion. The lessons I have received from them, are going to stay with me forever in academics as well as beyond it.

When people used to ask me "kaunse college main ho?", I used to proudly say Shaheed Bhagat Singh College every time. The college is not just an educational institution but a family. A family made by the zestful students, loving teachers and a wonderful staff giving their best each day to take it forward. The college taught me how to live my life to the fullest. The academics, ECA etc happens everywhere but at SBSC it's a lot more. It's the bond and the values that stay with you throughout and I'll always look back and say that the best decision I ever made was to choose SBSC over anything because it made me who I am. I owe my identity to the college. This note is a very small token of appreciation to arguably the best commerce college in South Campus.

- Anyaman Singh (2018-21 Batch, B.A. (H) History)

When I reflect on my three years, I realize that SBSC truly changed who I am and who I still want to become professionally and personally. SBSC not only made me a better person, but also prepared me in unpredictable ways for my career. The culture fostered the sharing of ideas, teamwork, critical discussions, and collaboration among students and faculty across a wide range of interests and backgrounds. Through various societies and clubs, with incredibly supportive classmates, and professors, I was challenged to discover myself.

- Shubhangini Upadhyay (2014-17 Batch, B.A. (H) English)
Currently pursuing a post graduate degree in Film Studies from Jadavpur University, Kolkata

- Maheeka Bajaj (2017-20 Batch, B. Com (H))

Walking down the memory lane of my golden days at SBSC, I feel lucky, jovial, sad & nostalgic, all at the same time. An uncommon journey with a fresh beginning from the lustrous green campus situated in the heart of our capital city to finally bidding a goodbye to all those memories in midst of a global pandemic was no less than a rollercoaster ride for someone like me. I'd rather call my journey with SBSC as a bundle of continuous learning coupled with great opportunities to prove my capabilities and finally getting appropriately recognised for everything I did in these 3 years. Having said that, I'd reiterate upon how enormously a student can gain by being a part of SBSC legacy and certainly flip these three years into a life changing element.

- Jasmine Sachdeva (2017-20 Batch, B. Com (H))

It's been two years since I left SBSC but it is always with me. It is very difficult for me to describe my experience and feelings about SBSC in words, because whatever and wherever I am today, huge credit of that goes to SBSC, the atmosphere there, be it academics or extra curriculum, everything instilled me with a great confidence and most importantly helped me find out my strengths and weaknesses. My Teachers who are perfect in their fields and excellent in teaching. Their classes are something that I really miss and I really want to thank my teachers for being extremely supportive in all forms, even after college whenever I need them, they are always there to help and advice me. And what to say about my friends and colleagues, I miss their physical presence but they have become part of my life. Those three years of my life in SBSC have shaped my thoughts and my future and I heartily want to thank SBSC for providing me opportunities to explore the world in a big and responsible sense.

SBSC was the best thing that ever happened to me. It is the only institution which is responsible for my overall growth and development. It has helped me identify my interests and work towards my passion. With the constant support from my teachers and seniors I was able to achieve all I dreamt of during these three years. It taught me perseverance, patience, courage and gave me the confidence of putting forward my points without any compromises. Lastly I would like to conclude my saying that I will always cherish the 3 best years of my life and will be indebted from this institute for converting this naive girl to a confident young lady. And I would love to be a Sbscian by heart forever and beyond.

- Rishab Agarwal (2017-20 Batch, B. Com (H))

Growing up, I've always wondered that what it would like to be a part of an esteemed college of University of Delhi with soaring cut-offs. In hindsight, I can proudly say that SBSC was all I ever wanted and more. It's a legacy that I am extremely grateful to be a part of. SBSC has given me 3 years of unparalleled experiences and a lifetime worth of memories. I've watched myself grow and progress here as an individual, learning new things each day. I've made friends here who are family now and have come across many teachers who manifested to be the perfect mentors for shaping me as an individual and providing me valuable learnings. The amazing societies and placement opportunities at SBSC have been a major part of shaping my future and gave me a chance to work with KPMG today. I'm eternally grateful to the red bricks building for giving me direction and uncountable memories.

Shaheed Bhagat Singh College New Delhi

Delhi (National Capital Territory), is a city and a union territory of India comprising New Delhi, the capital of India. It is bordered by Haryana (Gurgaon, Faridabad, Jhajjar and Sonipat) on three sides and by Uttar Pradesh (Gautam Budh Nagar, Ghaziabad and Baghpat) to the east. It is the blend of old and new with visible contrasts in its culture, lifestyle and tradition.

Old Delhi still has the influence of Mughals with monuments, mosques and forts all through the complicated streets. Old bazaars and street food are some of the specialties of Old Delhi. Whereas, New Delhi sparkling in Lutyen's Delhi, is completely different with lifestyle and city's architecture having the influence of British Rule in India. Some of the major attractions in Delhi include India Gate, Rashtrapati Bhavan, Rajghat, Jama Masjid, Qutab Minar, Red Fort, Humayun's Tomb, Safdarjang's Tomb, Purana Qila, Jantar Mantar, Akshardham temple, Chhatarpur Mandir and Lotus Temple. New Delhi is famous for its planned landscape and spacious streets with shades of greenery. Major commercial establishments are situated in New Delhi's business hubs like Connaught Place, Nehru Place, Bhikaji Cama, South Extension and ITO.

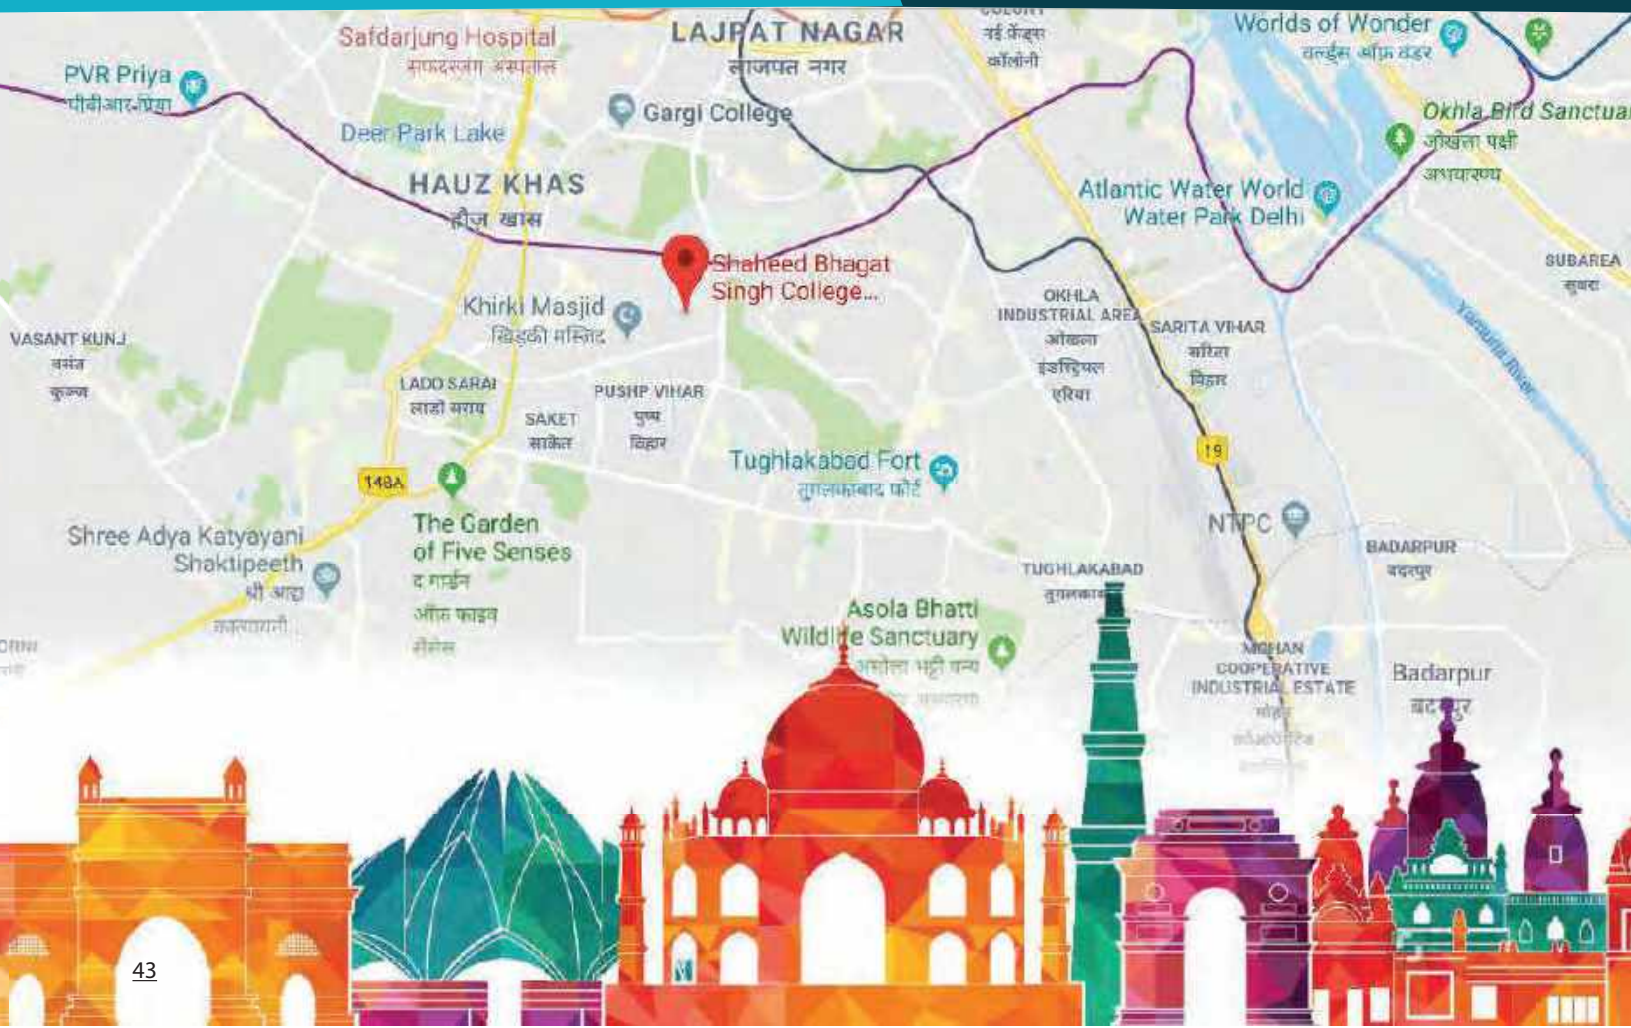

Central Delhi, with its tree-lined avenues, imposing structures such as the Rashtrapati Bhavan, Parliament House and India Gate, reflect Delhi's colonial past. The well connected metro train, numerous flyovers, wide roads, bus and auto services ensure easy commutation in the city.

Shaheed Bhagat Singh College, conveniently located in the southern part of New Delhi, is extremely well connected and is believed to be amongst the most affluent areas in the city. It is approximately 14 Kms each from Indira Gandhi International Airport and New Delhi Railway Station. The nearest metro stations, Malviya Nagar and Chirag Delhi are within 3 Kms from the college. The landmark shopping malls and major recreational activities are only few minutes away from the college.
