NAAC Accredited 'A' Grade

Legend then, legend now, legend forever...

शहीद भगत सिंह

जन्म 28 सितम्बर 1907 : शहादत 23 मार्च 1931

“शहीद होने की घड़ी में वह अकेला था, ईश्वर की तरह”

कवि - पाश

भगत सिंह सिर्फ क्रांतिकारी नहीं, बल्कि एक सुलझे हुए विचारक भी थे। अपनी फाँसी से पहले उन्होंने जेल में विद्यार्थियों के नाम पत्र में संदेश दिया था कि 'इस समय हम नौजवानों से यह नहीं कह रहे हैं कि वे बम और पिस्तौल उठायें। आज विद्यार्थियों के सामने इससे भी अधिक महत्वपूर्ण काम है।' उनका यह इशारा देश में फैली अज्ञानता और गरीबी को दूर करके भारत को एक ताकतवर राष्ट्र बनाने की ओर था इसीलिए उन्होंने कहा कि 'वे (विद्यार्थी) पढ़ें और जरूर पढ़ें' हम सब जानते हैं कि 8 अप्रैल 1929 को दिल्ली की केंद्रीय एसेम्बली में बिना किसी को घायल किए उन्होंने बम फेंका और जान बूझकर खुद को गिरफ्तार करवा दिया।

23 मार्च 1931 को जब उनको फाँसी दी गयी तब उनकी उम्र सिर्फ 23 साल 6 महीने की थी। अपनी वीरता और साहस के लिए, भगत सिंह आज भी युवाओं के बीच आदर्श तो हैं ही पर साथ ही साथ वे विद्यार्थियों के आदर्श इसलिए भी हैं कि छोटी सी उम्र में उन्होंने देश और दुनिया के बहुत सारे महत्वपूर्ण ग्रंथ, विचार, साहित्य, इतिहास और दर्शन पढ़ डाले थे। किताबें उन्हें पिस्तौल से ज्यादा प्यारी थीं, इसलिए वे आज़ादी को “मानसिक गुलामी” से आज़ादी भी मानते थे जिसका रास्ता किताबों से होकर ही जाता है। उन्होंने लिखा कि “क्रांति बम और पिस्तौल का सम्प्रदाय नहीं। क्रांति का अर्थ है आमूल परिवर्तन।”

भगत सिंह की शहादत के इस 91वें वर्ष में विद्यार्थियों के आगे भारत-निर्माता की कई सारी चुनौतियाँ हैं। हमें पूरा विश्वास है कि शहीद भगत सिंह कॉलेज में प्रवेश पाने वाला हर विद्यार्थी भगत सिंह के उस सपने से खुद को जोड़ेगा। हमें यह जानकारी देते हुए अपार हर्ष है कि शहीद भगत सिंह कॉलेज अपने स्थापना वर्ष 1967 से ही विद्यार्थियों के जीवन को राष्ट्र-प्रेम और राष्ट्र-निर्माण की दिशा में अग्रसर कर शहीद-ए-आज़म भगत सिंह के संकल्पों को ही पूरा कर रहा है।

Dear Students,

WELCOME to Shaheed Bhagat Singh College!

The pandemic has taught us that sometimes change is the only constant in our lives. Adapting with the new situation promptly, we were forced to learn the art of agility and adaptation. We learnt how to communicate our needs and yet adjust with each other. No one was to be blamed and what was required was only to solve the problems that lay ahead of us. And that's what we did.

The academic fraternity at Shaheed Bhagat Singh College made constant efforts to address the narrow time lag between the new knowledge and its application by

necessitating the renewal of its teaching methodologies. The on-line learning and work-from-home became the new normal. SBSC is carrying out interactive, online teaching in the ongoing semesters using various platforms such as Microsoft Team, Google Meet, Google Class Room, Zoom, etc.

In order to help our students, adjust, cope and excel in these uncertain times, our teaching staff made an attempt to inculcate self-help skills and strategies in our students along with an exposure to critical thinking and deeper learning. We made continuous efforts to develop not only the cognitive skills in our students but also help them be adept in their emotional and social skills, skills

Life at SBSC

They say college is like no other time in your life!

LIFE at **Shaheed Bhagat Singh College (SBSC)** is indeed vibrant and enriching in ways more than one. Our institution, having acquired a position of excellence in academics, has also been providing students the training and resources that steer them towards excellence in the fields of sports, debates, drama, fine arts and music. We furnish numerous platforms to the students for nurturing their talents by stimulating them to pursue excellence not only in the field of academics but also in various co-curricular activities. Our aim is to provide all possible assistance to the students in developing their creative and critical skills, appreciating their entrepreneurial skills and employability and most importantly, nurturing them into responsible citizens, sensitive to their environment and the society at large. Such all-round development of the students, we believe, will go a long way in contributing towards the future of the nation.

The faculty members of the College employ innovative pedagogical tools to everyday classroom teaching. Learning methods are supported by engaging lectures, regular field-visits and workshops, rigorous presentations and intellectually

stimulating seminars and conferences to create an enabling academic environment for the learners. The College has an excellent pool of highly-qualified and dedicated faculty supported by state-of-the-art infrastructure, teaching laboratories and research centres with an emphasis on participative learning and teaching. Teaching is regularly improvised keeping in view the changing requirements of the students in the increasingly competitive world. In addition to the regular evaluation, students are also encouraged to take up project work, case studies, fieldwork and participate in educational tours and career-oriented programmes.

The College offers the students a dynamic environment for the overall development of their aspirations, talents and personalities. The College is not just a seat of learning, but it is also a place where co-curricular activities are pursued with equal vigour. Numerous activities are organized throughout the year to provide opportunities for the expression of creative ideas and innate talents of the students in the realms of culture and sports. Students can participate in the fun while also learning organizational and leadership skills during various academic and cultural events and festivals, namely **Dastan, Uddyam, Econotize, Epiphaneia, Vasundhra, Yugantar, Ganitam, Chanakya, Vividh** and many more.

All in all, we emphasize on innovative thinking, critical and extensive reading, peer tutoring, and the cultivation of team spirit based on the principles of participation and cooperation. We also look forward to creating better opportunities and providing greater exposure through educational and cultural exchange programmes designed for our students.

From the time of its inception in Govind Puri in the year 1967, to its prime location today in Sheikh Sarai, which is only a stone's throw from the vibrant and busy malls and business centres of Saket, Shaheed Bhagat Singh College has seen 52 springs till date! The College celebrated its golden jubilee year from July 2016 to July 2017 with much enthusiasm and a plethora of activities, both academic and cultural. This auspicious year became even more

memorable when the National Assessment and Accreditation Council awarded the College with an 'A' grade.

Equal Opportunity Cell

THE primary problems faced by differently-abled students or students from the minority groups, stem from a disabling environment arising out of infrastructural, economic and cultural barriers. The College strongly believes that discrimination on the basis of disability and minority status is completely unacceptable, and is liable to be treated at par with other forms of unjustifiable discrimination and prejudices. We, at Shaheed Bhagat Singh College, firmly believe that all students have equal rights in the College and outside on all fronts. The Equal Opportunity Cell

was set up by the University of Delhi to address these and other urgent issues concerning SC, ST, OBC and persons with disabilities (PwD) on June 27, 2006. As part of its mission statement, the EOC ensures the following:

- ❑ Affirmative action concerning SC, ST and OBC.
- ❑ A barrier free access to all buildings of colleges, departments, libraries, hostels and offices of the university.
- ❑ Smooth and efficient running of a Resource Centre that specializes in addressing the needs of PwDs in all categories including visual, hearing, orthopaedic, and neurological.
- ❑ No discrimination on grounds of disability or minority status.
- ❑ Short term courses for imparting employable skills for the disabled and for raising awareness about disability.
- ❑ Reaching out to like-minded institutes and organisations dealing with similar issues.

To meet the aforesaid objectives, an Equal Opportunity Cell has been created at the College level. Dr. Santosh Kumar, Assistant Professor, Department of Hindi is the convenor, Equal Opportunity Cell and Enabling Unit of the College. Dr. S. Varadharaj, Assistant Professor, Department of English is the co-convenor of the Equal Opportunity Cell (EOC) of the College.

The events and games which are a part of the annual department fest are also fun to participate in.

Himanshi Munjal (2018-21 Batch, B.A. (H) English)

Studying English Literature at SBSC changes how people look at literature and at life. From skills like creative writing and academic writing to an introduction to almost all important canons of literature an honours student is supposed to know of, the course prepares us for careers in academia, publishing, media and many more avenues. The department is very helpful. The teachers initiate us to a life in and with literature. They make sure that we appreciate how a form of writing is related to the socio-cultural milieu of the times it was written in. Above everything else, they teach us to see literature from different critical perspectives.

Satyarth Misra (2018-21 Batch, B.A. (H) English)

My days in college were half spent in a digital mode, but the rest half accounts for an ignorant journey with a flavor of hardship, excitement, learning and bonding mingled together. From getting late for the first lecture to staying late in the campus, college was the place which I found inseparable to me. I came in as a student of English Literature and leaving with a line of other niches which got me into the soles of a marketing, public relations, environment crusader and a social worker. Time management was another skill I mastered in my college days, where with one lecture getting cancelled Select City walk was the destination we hitched for and was back yet before the next lecture. One thing that would remain with me would be the struggle of compensating the missed classes with other engagements in college. Again, time management came to my rescue there, when a society or cell had its function going and on the edge of it I would make an escape to the class just because my attendance doesn't suffer. Every bit of the time spent in college pumps up a feeling of satisfaction in me, even the digital segments especially the days when I was the only student present in the class.

Asraf Nehwal (2018-21 Batch, B.A. (H) English)

Studying at Delhi University had always been my dream and undoubtedly Shaheed Bhagat Singh College gave wings to it. The days spent here, receiving priceless education from eminent and excellent faculty members, who acted as my torchbearers helping me to accelerate my love for Literature, reading books, diving into them, being in them, learning from them and growing with them. For this, I shall ever remain grateful and indebted. The memories that I have weaved here are for a lifetime and will be forever cherished down my memory lane.

Alvina Ahmad (2018-21 Batch, B.A. (H) English)

It gives me immense pleasure to be a student of Shaheed Bhagat Singh College. It has been a life changing experience filled with constant learning and growth. The college lives up to its reputation by ensuring holistic development of students. Both academics and extracurricular activities are promoted at all levels. Students are provided with a platform where they can organise quality events, competitions and take newer initiatives with the help and resources of the college and the faculty. Furthermore, the college has a renowned alumni network echoing the success of this brilliant institution since its establishment in 1967.

Zyan Zahir (2018-21 Batch, B.Com. (Prog.))

I feel grateful to be a part of Shaheed Bhagat Singh College, the environment created in the classrooms by the faculty is of support and cooperation. The way of teaching adopted by professors has been extremely helpful in making me ready to step out in the real world. The various clubs and societies in the college have been instrumental for me in developing new skills and gave me the chance to explore my interests in multiple fields. The college has provided me with great opportunities to grow and flourish both individually and professionally.

Aditya Chauhan (2019-22 Batch, B.com. (H))

Studying in the English Department of Shaheed Bhagat Singh College has been a thrilling experience. The three years in this course in the college have taught me to think deeply about the world at large. With meticulous guidance by our friendly professors and a host of activities and functions that happened throughout the years, life in the college and in this course, was in a word, beautiful. Even now, I still dream of going back to the college every day and spend a little time in the classroom. Reading literature is in itself an interesting activity and the English department of SBSC makes it more joyful, more holistic and more fun.

It holds the very essence of holistic development which pushes the students to achieve greater heights.

Navya Agrwal (2018-21 Batch, B.Com. (H))

Being a part of Shaheed Bhagat Singh College has been an enriching and exhilarating experience. I am supremely grateful that college provided me with several opportunities to excel and inculcate new skills. I was inundated to be an office-bearer, Department of Political Science for two years. It helped me imbibe some great values and skills to be cherished for long. The best part of the journey was a team of great professors who tried their level best to discover the best in us. In short, SBSC gives you a great platform to explore as it actively organises great lectures by some of the eminent scholars, parliamentary debates and the cultural fest. It is a great place for learning and evolving.

Shikha Singh (2018-21 Batch, B.A. Pol. Sci. (H))

Shaheed Bhagat Singh college is the epitome of what a holistic institution should be. My experience with the college as a student was beyond congenial in every domain. The college is very facilitating in terms of helping students learn both beyond and within the classrooms. There are plethora of societies to help a student evolve in multiple ways and be the perfect fit to perform well at the professional front. Moreover every course has its own organisation/association which has its own student body ensuring that students' views/ opinions always remain on board. To have a hands-on perspective with respect to the course work, there are various academic engagements which make the whole process of learning joyous as well as wholesome. I truly am grateful to be a part of this institution as it has crafted me into a better person, both at personal and professional front.

Manvi Sharma (2018-21 Batch, B.A. Pol. Sci. (H))

The 'college phase' is one of the most interesting stages in life that gives you an opportunity to explore. Through my two years of college experience, I have come to recognize several ideas that have greatly impacted me, my views on learning, and my actual learning. The entire faculty and department leaves no stone unturned to shape one's future. Though Shaheed Bhagat Singh campus is only 5-7 acres but it's still great. The College campus is all lively and green, with two beautiful lawns, one playground, basketball court, big common rooms and a great canteen. SBSC has an excellent library with rich collection of books ranging across all genres. The ambience of the college has always been so positive and encourages to learn with an excellent exposure provided across the various platforms.

Chandrika Mallick (2018-21 Batch, B.A. Pol. Sci. (H))

I really feel proud to be a part of Shaheed Bhagat Singh College. Remembering the dilemma we have to go through while making a choice of college, today, it gives me immense pleasure that I made the right decision. The environment of the college and the crowd here is always full of positive vibes. College puts equal focus on academics and extra-curricular activities as well. Being new in Delhi never became a problem for me as everything in the college including teachers and seniors were very friendly and I met some of the best Professors of my life. The college with fully equipped departments and societies nurture students in the best way possible.

Student's Testimonials

What I am today, whatever I am capable of or whatever I am striving to achieve is all because of the dedication of my college professors at SBSC. They instilled not only hope, but channeled my youthful exuberance in the right direction which is the only reason that after pursuing Honours in Political Science, I have become an International Chef. The challenges of my situation are not understood by everyone, except for those who felt empowered with knowledge and experience that was a part of our learning experience at SBSC. I was empowered to think big and lead big so, thank you SBSC.

I'm a person who believes to follow certain principles in life. One of the most important being transforming my words into something productive, which I think I've managed to do for the most part of my life. From being accepted to Shaheed Bhagat Singh College, to being the founder of the internship cell and then the CEO of the entrepreneurship cell, it has been a roller coaster ride. I have grown to be a better person than what I was a few years ago through the initiatives and opportunities this college has thrown at me. I would recommend my juniors to participate in nearly every activity in the college because this place is full of opportunities to grow and discover yourself.

Shaheed Bhagat Singh College gave me the best 3 years: friendships I treasure, teachers who guided me and experiences that shaped me as a person. Right out of college, I started working. SBSC is the institution that made me capable enough to hold my own in this new phase. SBSC was not just studies or books. It went beyond the curriculum, breaking the boundaries: teachers scheduled play screenings, outdoor classes, co-curricular and the various societies gave the right exposure and built my confidence. College is an investment and a crucial decision, but one cannot go wrong with Shaheed Bhagat Singh College.

*Sayesha Ahluwalia (2013-16 Batch, B.A. (H) English)
Currently working as Assistant Editor and Senior Copy Editor, CNN- News 18*

When I reflect on my three years, I realize that SBSC truly changed who I am and who I still want to become professionally and personally. SBSC not only made me a better person, but also prepared me in unpredictable ways for my career. The culture fostered the sharing of ideas, teamwork, critical discussions, and collaboration among students and faculty across a wide range of interests and backgrounds. Through various societies and clubs, with incredibly supportive classmates, and professors, I was challenged to discover myself.

Avani Yadav (2016-19 Batch, B.Sc. (H) Mathematics)

Walking down the memory lane of my golden days at SBSC, I feel lucky, jovial, sad & nostalgic, all at the same time. An uncommon journey with a fresh beginning from the lustrous green campus situated in the heart of our capital city to finally bidding a goodbye to all those memories in midst of a global pandemic was no less than a roller coaster ride for someone like me. I'd rather call my journey with SBSC as a bundle of continuous learning coupled with great opportunities to prove my capabilities and finally getting appropriately recognised for everything I did in these 3 years. Having said that, I'd reiterate upon how enormously a student can gain by being a part of SBSC legacy and certainly flip these three years into a life changing element.

Rishab Agarwal (2017-20 Batch, B.Com (H))

Growing up, I've always wondered that what it would like to be a part of an esteemed college of University of Delhi with soaring cut-offs. In hindsight, I can proudly say that SBSC was all I ever wanted and more. It's a legacy that I am extremely grateful to be a part of SBSC has given me 3 years of unparalleled experiences and a lifetime worth of memories. I've watched myself grow and progress here as an individual, learning new things each day. I've made friends here who are family now and have come across many teachers who manifested to be the perfect mentors for shaping me as an individual and providing me valuable learnings. The amazing societies and placement opportunities at SBSC have been a major part of shaping my future and gave me a chance to work with KPMG today. I'm eternally grateful to the red bricks building for giving me direction and uncountable memories.

Jasmine Sachdeva (2017-20 Batch, B.Com (H))

Like every other fresher, I entered into my college life with huge zeal and excitement. Shaheed Bhagat Singh College is not just another institution where one comes to gain only academic knowledge. Rather in my experience, it is an institution that offers an individual to develop holistically. I was a part of the Finance and Investment Society and The Entrepreneurship Cell of the college. Being a part of these groups/societies helped me upskill myself in various ways and develop my interpersonal skills. I participated in various competitions conducted all over DU and I have won more than 40 competitions. I could not thank SBSC enough because these 3 years of college life shaped me into a better person. In the end, I would like to say that, it is up to the student; how he or she utilizes the opportunities the college life brings to him or her.

Ishaan Arora (2017-20 Batch, B.Com (H))

Student's Testimonials

When people used to ask me "kaunse college main ho?", I used to proudly say Shaheed Bhagat Singh College every time. The college is not just an educational institution but a family. A family made by the zestful students, loving teachers and a wonderful staff giving their best each day to take it forward. The college taught me how to live my life to the fullest. The academics, ECA, etc. happens everywhere but at SBSC it's a lot more. It's the bond and the values that stay with you throughout and I'll always look back and say that the best decision I ever made was to choose SBSC over anything because it made me who I am. I owe my identity to the college. This note is a very small token of appreciation to arguably the best commerce college in South Campus.

Subhag Gupta (2017-20 Batch, B.Com (H))

SBSC was the best thing that ever happened to me. It is the only institution which is responsible for my overall growth and development. It has helped me identify my interests and work towards my passion. With the constant support from my teachers and seniors I was able to achieve all I dreamt of during these three years. It taught me perseverance, patience, courage and gave me the confidence of putting forward my points without any compromises. Lastly I would like to conclude my saying that I will always cherish the 3 best years of my life and will be indebted to this institute for converting this naive girl to a confident young lady. And I would love to be a Sbscian by heart forever and beyond.

Maheeka Bajaj (2017-20 Batch, B.Com (H))

I started working as a Tech Risk Analyst, Business Consulting at EY, right after completing PGDM in Finance. I remember Shaheed Bhagat Singh College fondly for two things: for giving me a holistic perspective on life and for introducing me to highly knowledgeable faculty! For me, this college has been lots of things. It is here that I have grown as a person, scaled new heights, and done things I could never have imagined I could. The plethora of opportunities available for every individual, in the field of their choice is always open. B.Sc.(Hons) Mathematics course offered at SBSC was enriching in every way. The coursework enhanced my understanding and appreciation of Mathematics. Being the President of the Mathematics Society was a life Changing experience where I gained tremendous confidence and enhanced my overall personality. An open and encouraging environment, the spirit of academic and extra-curricular excellence that the institute inculcates and the company of a brilliant, and diverse peer group make SBSC a rewarding experience. For anyone who yearns to learn, to explore and to lead, SBSC is indeed the place to be.

Nayanika Sharma (2014-17 Batch, B.Sc. (H) Mathematics)

It's been two years since I left SBSC but it is always with me. It is very difficult for me to describe my experience and feelings about SBSC in words, because whatever and wherever I am today huge credit of that goes to SBSC, the atmosphere there, be it academics or extra-curricular engagements, everything instilled me with great confidence and most importantly helped me find out my strengths and weaknesses. I had teachers who were perfect in their field and excellent in teaching. Their classes are something that I really miss and I really want to thank my teachers for being extremely supportive in all forms, even after college whenever I need them, they are always there to help me. And what to say about my friends and colleagues, I miss their physical presence but they have become part of my life. Those three years of my life in SBSC have shaped my thoughts and my future and I heartily want to thank SBSC for providing me with opportunities to explore the world.

Delhi (National Capital Territory), is a city and a union territory of India comprising New Delhi, the capital of India. It is bordered by Haryana (Gurgaon, Faridabad, Jhajjar and Sonipat) on three sides and by Uttar Pradesh (Gautam Budh Nagar, Ghaziabad and Baghpat) to the east. It is the blend of old and new with visible contrasts in its culture, lifestyle and tradition.

Old Delhi still has the influence of Mughals with monuments, mosques and forts all through the complicated streets. Old bazaars and street food are some of the specialties of Old Delhi. Whereas, New Delhi sparkling in Lutyen's Delhi is completely different with lifestyle and city's architecture having the influence of British Rule in India. Some of the major attractions in Delhi include India Gate, Rashtrapati Bhavan, Rajghat, Jama Masjid, Qutab Minar, Red Fort, Humayun's Tomb, Safdarjang's Tomb, Purana Qila, Jantar Mantar, Akshardham temple, Chhatarpur Mandir and Lotus Temple. New Delhi is famous for its planned landscape and spacious streets with shades of greenery. Major commercial establishments are situated in New Delhi's business hubs like Connaught Place, Nehru Place, Bhikajicama, South Extension and ITO.

Central Delhi, with its tree-lined avenues, imposing

structures such as the Rashtrapati Bhavan, Parliament House and India Gate, reflect Delhi's colonial past. The well connected metro train, numerous flyovers, wide roads, bus and auto services ensure easy commutation in the city.

Shaheed Bhagat Singh College, conveniently located in the southern part of New Delhi, is extremely well connected and is believed to be amongst the most affluent areas in the city. It is approximately 14 kms each from Indira Gandhi International Airport and New Delhi Railway Station. The nearest metro stations, Malviya Nagar and Chirag Delhi are within 3 kms from the college. The landmark shopping malls and major recreational activities are only few minutes away from the college.
