It is submitted that for promoting the social equality amongst the various categories of students in the College, the following recommendations of financial assistance to students from diverse socioeconomic backgrounds have been made:

1. All the students of 2nd & 3rd year belonging to the following categories will be given the tuition fee concession:

- Students from SC/ST/EWS category
- Students from NCC/NSS/Sports category

2. All the students of Post-Graduation course belonging to the following categories will be given the tuition fee concession:

- Students from SC/ST/EWS category
- Girl students in PG course

It is also informed that the tuition fees for all the undergraduate programs is Rs. 180/- per student and for post graduate program is Rs. 216/- per student.

Further, it is suggested that a similar policy be framed and approved for tuition fee concession every year to the students belonging to SC, ST, EWS and sports category starting from the Academic year 2024-25. This will motivate and support these students in achieving the academic success, ultimately contributing to a more socially equitable educational experience for all. We believe that this initiative not only encourages the personal growth of students but also strengthens our institution's commitment to social equality and inclusiveness.

If agreed, the reimbursement to the 2nd and 3rd year students may be made out of Student Aid Fund and tuition fee concession to the first year students may be given out of the collection made under the "Tuition Fee" head.

Submitted for approval and further direction in this regard.
