## शहीद भगत सिंह

**जन्म 28 सितम्बर 1907 : शहादत 23 मार्च 1931**

**"शहीद होने की घड़ी में वह अकेला था, ईश्वर की तरह"**

**कवि -पाश**

भगत सिंह सिर्फ क्रांतिकारी नहीं, बल्कि एक सुलझे हुए विचारक भी थे। अपनी फाँसी से पहले उन्होंने जेल में विद्यार्थियों के नाम पत्र में संदेश दिया था कि 'इस समय हम नौजवानों से यह नहीं कह रहे हैं कि वे बम और पिस्तौल उठाएँ। आज विद्यार्थियों के सामने इससे भी अधिक महत्वपूर्ण काम है।' उनका यह इशारा देश में फैली अज्ञानता और गरीबी को दूर करके भारत को एक ताकतवर राष्ट्र बनाने की ओर था इसीलिए उन्होंने कहा कि 'वे (विद्यार्थी) पढ़ें और जरूर पढ़ें हम सब जानते हैं कि 8 अप्रैल 1929 को दिल्ली की केंद्रीय एसेम्बली में बिना किसी को घायल किए उन्होंने बम फेंका और जान बूझकर खुद को गिरफ्तार करवा दिया।

23 मार्च 1931 को जब उनको फाँसी दी गयी तब उनकी उम्र सिर्फ 23 साल 6 महीने की थी। अपनी वीरता और साहस के लिए, भगत सिंह आज भी युवाओं के बीच आदर्श तो हैं ही पर साथ ही साथ वे विद्यार्थियों के आदर्श इसलिए, भी हैं कि छोटी सी उम्र में उन्होंने देश और दुनिया के बहुत सारे महत्वपूर्ण ग्रंथ, विचार, साहित्य, इतिहास और दर्शन पढ़ डाले थे। किताबें उन्हें पिस्तौल से ज्यादा प्यारी थीं, इसलिए वे आज़ादी को "मानसिक गुलामी" से आज़ादी भी मानते थे जिसका रास्ता किताबों से होकर ही जाता है। उन्होंने लिखा कि "क्रांति बम और पिस्तौल का सम्प्रदाय नहीं। क्रांति का अर्थ है आमूल परिवर्तन ।"

शहीद भगत सिंह की शहादत के इस ९४व वर्ष में, देश के युवाओं के सम्मुख भारत-निर्माण की अनेक चुनौतियाँ विद्यमान हैं। हमें पूर्ण विश्वास है कि शहीद भगत सिंह कॉलेज में प्रवेश पाने वाला हर विद्यार्थी शहीद-ए-आज़म भगत सिंह के स्वप्नों से स्वयं को जोड़ते हुए, राष्ट्रहित में सक्रिय भूमिका निभाएँगे।

## STUDENT AID FUND AND FEE CONCESSION

Shaheed Bhagat Singh College is determined to provide quality education to all the students with equal opportunity and accessibility. The college is completely devoted to spread out inclusivity and avoid financial constraints of the students to protect their academic interests. Therefore, the college has established a 'Students Aid Fund & Fee Concession Committee' to facilitate students who need financial aid to continue their studies. The committee meets regularly to discuss such cases and evaluates grant of concession. The concession can range anywhere between 10 percent to 100 percent fee relaxation, depending upon financial need and circumstances of the concerned student.

Applications are invited from the students, through online or offline mode, in the beginning of academic session. Thereafter, interviews are conducted comprehensively with all the students who applied for fee concession. The committee decides some basic parameters to ensure that the fee concession or relaxation should be given to the students who actually need it. The percentage of fee concession depends upon parameters, such as economic status of the student's family, academic performance, regular attendance, and overall discipline and behaviour in the college.

In the previous academic year, the committee conducted two extensive sessions of interviews to deal with all the students of Ist, IInd & IIIrd year who applied for the student aid fund and fee concession. The Committee has recommended more than 300 students for fee concession. The committee has recommended hundred percent fee relaxation for some students based on their economic conditions.

His visit, alongwith other esteemed university dignitaries, marked a proud and historic moment, as it was the first time that the Hon'ble Vice-Chancellor of the University of Delhi visited our college, lauding and blessing the institution's strides toward modernization and inclusivity. Among the standout achievements have been the unveiling of a fully renovated Shaheed Bhagat Singh statue; enhanced accessibility and teaching facilities through installation of new elevators; several smart classrooms and laboratories; upgraded seminar halls; and state-of-the-art facilities like the open-air auditorium, the Academic Auditorium, a new Staff Room, a video-conferencing committee room, and the renovated Library Reading Hall. ## CENTRE FOR WRITING AND COMMUNICATION

The Centre is a one of-a-kind space for the University of Delhi. It intends to develop communication, critical thinking, and research skills within the college community by working with a diverse section of students, teachers, and external experts and offering a multidisciplinary understanding of best practices in writing, communication, and research.

The impetus behind the Centre was to ensure parity among our students and give each of them an opportunity and a relaxed space to work on their communication and soft skills so that their creativity and critical thinking can flourish unhindered by lack of confidence or exposure to the English language. This should enable our students to meet any challenges of higher education, competitive exams, research, or the global job market. To this end, the Centre has resolved to offer English language support to students comparatively unfamiliar with English through Add-On courses focused on English Grammar and core competencies of Listening, Writing, Reading, and Speaking, guided conversation/practice circles, personalized tutoring sessions and regular workshops/events on academic/creative writing, research, and publication.

Through any academic year, Centre for Writing and Communication, SBSC, conducts weekly Grammar Classes, wherein students are introduced to aspects of English grammar through a student-centric pedagogy, and Conversation Circles, wherein students practice their communication and soft skills during conversations on their topics of interest, under the leadership of a peer educator and a faculty member.

In addition, the Centre also organizes informative and insightful workshops, talks and seminars regularly. The Centre has also developed a mechanism to offer each of our students the space to review and improve their communication pieces (e.g., assignments, papers, presentations, speeches, a piece of creative writing, etc.) or soft skills during one-on-one tutoring sessions, and will be testing and implementing this mechanism soon.

## **CENTRE FOR SCHOOL OF HAPPINESS**

The School of Happiness is an initiative designed by Shaheed Bhagat Singh College to address the emotional, psychological, and social aspects of student and staff well-being. At the heart of the initiative is the spirit of Shaheed Bhagat Singh, who believed in being present in the moment with intention, possibly even a revolutionary intention, and in being engaged in meaningful work, social well-being, and societal change. The School of Happiness fosters a caring and resilient campus community, promoting the holistic development of students and staff through nurturing engagement and well-being. Its vision is to establish a vibrant and welcoming campus culture that fosters multidisciplinary cooperation, psychological well-being, and holistic well-being, equipping students to become compassionate, capable, and future-ready citizens.

At a time when knowledge is consolidated, and innovation is about collaboration; the School of Happiness works to break down the silos existing between students from different disciplines in the college. Students of commerce, arts, and interdisciplinary programs are often engaged in their own departmental circles, which limit their interactions with diverse ideas, experiences, and approaches to problems. To counter this, the School of Happiness provides platforms to cross departments for engagement to meet a community of diverse peers, undertakes engagement events or campaigns that involve students from myriad disciplines, creates joint service-learning opportunities where students from different disciplines come together to work on a theme, implements peer mentorship programs pairing students from two departments together that promote interpersonal skills and open up academic perspectives, and provides co-curricular programs with a theme about life and well-being to develop shared learning environments outside of the subject matter specialization and textbooks.

The School of Happiness is not simply a wellness center—it is a movement designed to rethink how we define success in academic institutions. By promoting happiness, inclusion, and collaboration between different fields of study, the school reflects the inspiring values of Shaheed Bhagat Singh and supports the progressive vision of Viksit Bharat@2047.
